RADDA IN CHIANTI (Province of Siena) REF. 160

This fine and stylish villa is located 2 kms from the characteristic town of Radda in Chianti, offers spacious and bright interiors and sleeps 8 (+2) persons. The villa enjoys medieval origins for which the antique watch tower is the testimonial. Today this tower hosts a panoramic, very special room set up as a private wine bar.

The guests enjoy a splendid heated pool with a furnished gazebo and outdoor dining facilities.

In the garden of the villa there is also a playground for children and a shady patio perfect for breakfast and al fresco dining. Amongst the other services offered by the villa is a well equipped gym, a luxurious spa with hydromassage, Turkish bath and sauna, whilst a picturesque chapel has been transformed in an airy yoga room.

One of the many highlights is the professional kitchen with its exceptional range of equipment.

In a perfect balance between rural Tuscan and contemporary style, the villa is a unique example of successful interior design and careful restoration.
