GREVE IN CHIANTI (Province of Florence) REF. 337

The unique villa is set in a most panoramic location in the beautiful Chianti hills not far from the little town Greve in Chianti. This gorgeous property is the ideal place where you can understand the meaning of tranquillity and peace. The farmhouse is restored with great attention to details, contemporary comfort and enjoys stunning views onto the vineyards, cypress rows and the hilltop town of Panzano in Chianti. A marvellous location, nestled within the lavish woodland, silver-grey olive groves and organic vineyards, the villa offers a perfect country escape. Its unspoilt location, makes this splendid farmhouse the perfect choice for those wishing to explore Tuscany and all that it has to offer.

The panoramic terrace, shaded by olives, is also the perfect spot for an aperitivo or for lunch.

The property consists of two detached houses with totally nine bedrooms. A distinctive contemporary design with natural colour schemes and Italian designer furniture, is combined with the typical elements of the traditional Tuscan farmhouse.
