**PANZANO IN CHIANTI (Province of Florence)  
REF. 352**

The fortified farmhouse is dating back to the 15<sup>th</sup> century. It was modified in the course of the centuries and has finally been completely restored by the current owner with great care and a respect has been shown in keeping the original layout and style to its former design.

The property is listed in many books as one of the most beautiful and architectonically most interesting houses of its kind. Today it belongs to an organic winery and offers five comfortable and well equipped apartments with modern bathrooms and kitchens. The gardens surrounding the villa are immaculately kept and well furnished. Help yourself in the vegetable garden where you may pick some fresh tomatoes and eggplants for your dinner. The large swimming pool (7x14) meter is for common use, but each apartment enjoys a private outside dining area.

The villa belongs to an organic winery which produces organic Chianti Classico wine and organic extra virgin olive oil.

A precious service is the possibility to get breakfast, lunches and dinners at the estate. Upon request.
