Elegant and impressive villa in very panoramic and private location. The tastefully decorated house dates back to the 13<sup>th</sup> century when the main part of the building was constructed. It is surrounded by meticulously kept vineyards, silver-green olive groves, its Renaissance-style park and lush gardens from where you enjoy breathtaking views onto the uncontaminated Tuscan landscape.

Fine antiques, selected furniture and original Tuscan materials together with the professional staff service and facilities like the astro-turf tennis court and the picturesque swimming pool make the villa special and unique.
