**FIANO (Province of Florence)
REF. 412**

The elegant country villa is located in a stunning location close to the village of Fiano. It is surrounded by a vast olive grove which embeds the estate in 360 degrees. From the garden you will enjoy views of the rolling hills and onto the ancient towers of San Gimignano. The guests are invited to taste the Chianti wines and olive oil produced by the family-owned farm. The farm organizes wine tastings free of charge in the nearby wine cellar, and recently the Super Tuscan was awarded by Wine Spectator.

The property consists of four apartments (1 for 2 persons, 3 for 4 persons) and one separate and private house for six persons, it overlooks a panoramic valley to south-west. Each apartment has been meticulously renovated and personally furnished by the owners with precious original art and antiques in combination with all modern conveniences.

The estate enjoys big French windows, pastel colours and stunning views – it is the perfect place for an unforgettable vacation. The outdoor areas invite you to your al fresco dining, and every day the sunset is breathtaking. A path leads to a magnificent swimming pool with roman steps which is used by all guests at the apartments and at the separate house.
